Reference: Department A-431, December 31, 1962.

Foreign Office strongly desires submit Consular convention for ratification this session Diet. Concern expressed that if signing date has not been determined by March 20, ratification will be impossible this session. Latter date reportedly established by LDP as deadline for submission all GOJ treaties and agreements requiring ratification by this session Diet. Appreciate your estimate date signing authority will be forthcoming.

Decontrolled following signing Consular convention.
